With every Adopt A Family package that is given out, WIN House provides a New Start Food Hamper.

**DISCLAIMER: We are unable to receive unboxes glass and dishware sets due to safety. Please, provide new-unopened sets and packages. We also do not accept duvets or duvets covers. Please, do not feel like you need to shop for all aspects of a family profile. We would appreciate picking one or two sections (ex. kitchen or bedroom) and putting together a package for one of our Champion families.*

Do not hesitate to reach out to community@winhouse.org or 780-471-6709 if you have any questions.
